

## Air Fresheners

### Air Fresheners with Ordenone™

- Air Fresheners with Ordenone™ are an odour counteractant, NOT a masking product
- Ordenone™ encapsulates unpleasant odours and neutralizes them
- Leaves a pleasant, long-lasting fragrance
- Highly effective on smoke, pet, food and body odours, vomit, urine
- Use on carpeting, draperies, upholstery, clothing, bedding, fabric, automotive interiors, etc.
- Freshens new/used cars, RV's, in hotels/motels, bars/restaurants, hospitals and nursing homes, etc.
- Highly concentrated - a 5 second spray that is as effective as some odour bombs
- Dry spray produces a fine mist with low 'fall-out'
- Leaves vehicles with a pleasant, long lasting fragrance while ridding interiors of musty mildew and other undesirable odours
