OdoBan Ready-to-Use

OdoBan is a Deodorizer, Sanitizer, Disinfectant, Mildewstat and Virucide.

Eliminates unpleasant odours on washable surfaces such as upholstery, carpets, bedding, showers, walls and floors while leaving a fresh scent. OdoBan kills 99.99% of germs such as Streptococcus pyogenes (Strep), Escherichia coli O157:H7 (E.coli) (pathogenic strain), Listeria monocytogenes, Staphylococcus aureus (Staph) and Klebsiella pneumoniae on hard, nonporous, non-food contact surfaces in 60 seconds. It acts as a fungicidal against germs such as Trichophyton mentagrophyte (the athlete's foot fungus), when used on surfaces in areas such as locker rooms, dressing rooms, exercise facilities, shower and bath areas. Use OdoBan as a mildewstat to effectively control and inhibit the growth of mould and mildew. OdoBan kills HIV-1 (AIDS Virus), Influenza A/Hong Kong and Herpes Simplex type 2 and COVID-19 in 60 seconds.
