

Tsunami Vertical Urinal Screen A Surge of 60-Day Protection

NEW!

60 days of fragrance

- Almost 3x more fragrance than competitive screens

No mounting – designed to lean upright in most urinals

- Faster installation and removal
- No suction cups, less waste

Reversible – performs on either side

- Creates better, more even fragrance evaporation
- No installation errors

As always:

- Beneficial bacteria consume the source of odours
- Indicator date tabs remind when to replace
- Patented fragrance load - no one freshens stronger
