Where Butts Belong

The highly-durable, sturdy, and streamlined standard Smokers' Outpost[®] cigarette receptacle offers an attractive design that would complement and enhance the décor of any facility.

Environmentally-friendly containers, moulded from long-lasting recycled polyethylene that won't rust, dent, chip and is graffiti-resistant.

The patented oxygen-restricting design extinguishes cigarettes quickly, no sand or water required. Galvanized pail (16 qt) with handle collects cigarette litter and easily lifts out for cleaning.
