

## **8201YE Down Press Bucket/Wringer Combo**

### **A Powerful Press for Better Floor Care**

Effectively wring out your mop, leaving less water on the floor and reduce slip hazards. This powerful down press wringer doesn't require excess force to wring mops; floors dry faster and with fewer streaks!

- 30 L bucket comes with bumpers to protect walls
- Universal Caution Symbol imprinted on both sides
- Solid steel bale handle for easy dumping of dirty water
- Moulded handle at the back of the bucket for tipping
- Non-marring grey casters transition across multiple floor types with ease
- Ergonomic wringer handle reduces fatigue when wringing mop
