Efficiently and economically clean your floors with these durable cotton cut end mops. Ideal for absorbing large amounts of water or cleaning solution and perfect for tackling tough cleaning jobs.

- Made from 100% recycled cotton (90% post industrial/10% post consumer)
- Suitable for both smooth and textured floor surfaces
- Highly absorbent, reduces the need for frequent wringing
- Durable and long-lasting
- Excellent at capturing dirt and debris, leaving floors cleaner
- Ideal for both commercial and residential use
- More eco-friendly compared to disposable mops or synthetic options
