

Hands-Free Hygiene

The safer way to handle disposal

2201WT Sanitary Napkin Bin

The 2201WT Sanitary Napkin Bin features a unique bottom-opening design. Empty the unit without ever touching the contents, reducing exposure to waste and speeding up cleaning routines, making it safer and more efficient for custodians.

- Wall mount using tape or hardware (included)
- Moulded in feet, allows unit to be placed on the floor
- Smooth design cleans easily

2201WT Sanitary Napkin Bin **4/cs**

Pair with #68150 Waxed Sanitary Napkin Bags
