

**Flat out
Fabulous!**

5851 Aluminum Handle
5852 Flat Mop Frame

Simple Tools for Simply Clean Floors & Walls

5851 Aluminum Telescopic Handle - Extends to 71"

- Durable to withstand use on floors, but light enough to lift to clean walls or ceilings
- Handle adjusts to meet the user's height or to extend reach
- Easily connects to the #5852 18" Flat Mop Frame or other similar tools
- Contoured grip for added ergonomic comfort
- 6/case

5851 Telescopic Handle

5852 18" Aluminum Flat Mop Frame

- Low profile frame fits under furniture and tight to baseboards/corners
- Swivel head increases manoeuvrability
- Lightweight aluminum glides across surfaces with ease
- Hook and loop fasteners hold mops firmly, but still release mops easily for changing
- Dual fastener attaches handle securely
- 6/case

Use with AMP Microfibre Flat Mops
