Odour Absorber

OdoBan® Solid Odour Absorbers freshen and eliminate odours in odour prone areas, such as bathrooms, closets, lockers, litter boxes and more. Continuously traps unwanted airborne odours in the odour absorbing gel. Simply twist off lid, remove the protective seal, reapply lid and place upright in the desired area to start eliminating odours. Absorbs odours in rooms up to 400 sq ft (37 sq m) for approximately 90 days. For best results, place near airflows such as air conditioning vents.

- Perfect for smaller spaces such as closets, lockers, pet areas, trash cans
- Great for smoke, mildew, or musty odours
- Freshens your space with a light, long-lasting fragrance
